

Let's talk – Basic questions

PHONE

1. Match the words with their definitions/synonyms.

- | | |
|--------------|----------------------------|
| a charger | signal |
| to unlock | protects your phone |
| reception | gives power to the battery |
| to die | switch off |
| to hang up | to open something |
| to turn off | no power |
| a phone case | to finish the phone call |

2. Choose the correct word.

- Oh no! My battery is *unlocking/dying*.
- My phone died and I need a *phone case/charger*. Can I borrow yours?
- Every time I go to the forest, my *reception/phone case* is bad.
- Do you know that we should *unlock/turn off* our smartphones at night?
- I think she is still angry at me. Every time I call her she *hangs up/unlocks* the phone.
- A good *reception/phone case* will protect your phone from scratches.
- Can you show me how to *unlock/die* your phone?

3. Fill in the TABOO cards with the words from the exercise no. 1.

to finish	blockade	battery	signal	clothes
to end	password	switch off	to hear	to protect
to turn off	to open	charger	phone call	safe
