

*What would happen if people were forbidden to talk?*

*What would happen if there was no gravity?*

*What would happen if everyone had three lives to live?*

*What would happen if there were no schools?*

*What would happen if all people had to do the same job?*

*What would happen if all shops had the same goods?*

*What would happen if cinemas and theatres were banned?*

*What would happen if people were not allowed to have more than one child?*

*What would happen if children were allowed to do everything they wanted?*

*What would happen if men had to wear make-up?*

*What would happen if people could fly?*

*What would happen if there were no cars?*

*What would happen if learning languages was forbidden?*

*What would happen if people went to prison for dancing?*

*What would happen if everyone was vegan?*

*What would happen if there was no money?*

*What would happen if people could breathe under water?*

*What would happen if there was no crime?*

*What would happen if teenagers had to leave their family homes at the age of 15?*

*What would happen if there was no music?*
